

## AIRPORTS close to UNIBZ

In order to help you to choose the closest airport we prepared this sheet. It should also help you to find easily the best way to reach Bolzano, rather by train or by shuttle bus.

Especially for international flights the airports Munich or Milan are well connected. However, Innsbruck as well as Verona is closer to Bolzano and has good connections too.

Distance from/to Bolzano:

Innsbruck (Austria): 120 km

Verona: 150 km

Bergamo: 230 km

Venezia (Venice): 230 km

München (Munich - Germany): 320 km

Milano (Milan): 320 km
